## NOTEBOOK INSURANCE

### SECURE YOUR MOBILE USERS WITH INSIGHT'S PROTECT-IT! SERVICE

Insight offers the opportunity of insuring your valuable laptop computer equipment against the cost of expensive repairs or replacement in the event of accident or theft. Users take mobile computers outside of protected environments - where the risk of theft and damage is higher.

protect-IT is a specialist All Risks insurance policy that offers cover against Theft, Fire, Flood and Accidental Damage when being used at work or school, at home, in a hotel, in another building or when travelling. protect-IT notebook insurance recognises that users may take mobile computers outside of protected environments - and therefore provides the breadth of cover required. It offers replacement or repair cover and is underwritten by Ace European Group Ltd.

#### ▼ Some benefits of the cover include:

- No Excess
- New for old replacement
- No specialist security requirements
- No site surveys or restrictions on use
- Cover in office, home, car or hotel
- World wide cover
- Any company employee or family member covered
- Absence of forcible entry does not invalidate claim
- 1 or 3 years cover
- Rapid claims validation

protect-IT! Notebook Insurance Claims and Helpline Number 01788 563 112  
protect-IT! is underwritten by ACE European Group Limited

Insight Direct (UK) Limited is an Appointed Representative of Summit Insurance Services Limited, The Robbins Building, Albert Street, Rugby, CV21 2SD which is authorised and regulated by the Financial Services Authority. Summit Insurance Services Limited's FSA Register Number is 300172.

#### ▼ Why choose Protect IT?

- Notebooks may not be included in your general contents insurance and claims settlement is often slow, understanding of 'like for like' replacement poor and the excess can be more than the value of your notebook
- protect-IT! is excess free – Insight is confident that we offer the most competitive and comprehensive notebook insurance available
- protect-IT! can cover previously purchased laptops up to 12 months from purchase date
- Rapid claims turnaround within 2 weeks from reporting your item damaged or stolen

In all cases where claims are valid, they will be settled by repair or replacement of equipment. In the event of a replacement machine being required then we would supply either the same model, if available, or equipment to the same technological specification or better - subject to the insured value of the original equipment not being exceeded.

protect-IT! is suitable for individuals, companies and educational establishments who wish to insure their IT equipment against fire, theft and accidental damage.

The above information provides a brief overview of this service - full policy terms and conditions are the final arbiter and are available upon request.
